

## PUPIL PREMIUM – PLANNED SPEND AND PREDICTED IMPACT 2020/2021

### WESTLANDS ACADEMY

The Pupil Premium is designed to ensure that funding to tackle disadvantaged students reaches those who need it most and has a positive impact upon narrowing the outcome gaps. The funding is allocated to Local Authorities and schools with students from Early Years to Year 11 who are looked after, have parents currently in the Armed Forces or are eligible for free school meals (FSM), including those eligible for FSM at any point in their childhood.

The Government does not prescribe how pupil premium should be spent, believing that schools are in the best position to decide - on the basis of available evidence of what works well elsewhere - the appropriate strategies in their particular circumstances. This report highlights how the funding will be used during the academic year 2020-2021.

The proportion of disadvantaged students, those supported by pupil premium at Westlands Academy is much higher than average, with 65 students (82%) of the cohort classed as disadvantaged.
